EXPERIENCE

NIC, Remote — UX Designer and Developer (Contractor)

SEPTEMBER 2018 - PRESENT

Perform user testing. Write test plans, site copy, and findings. Adjust files on prototype designs based on test findings. Build prototypes. Write DSM specifications. Write microcopy. Create new designs based on the DSM. Design and code microsites. Design and build microsites.

Technologies Used: Sketch, Invision, Adobe Creative Suite, Atom, Filezilla, Trello, Confluence, Microsoft Excel, Maze.

Lane Community College, Eugene, OR — Adjunct Instructor

JANUARY 2007 - MARCH 2016/ SEPTEMBER 2020- MARCH 2022

Taught a variety of writing, social studies, and basic technology classes. *I have created and taught curriculum for the traditional classroom, a detentional facility, and eLearning (Zoom, Blackboard, and Moodle).* While contracted to teach at the Lane County Jail for 6 years, I also did grant writing as well as the metrics for each year's funding report, including follow ups and questionnaires with current and former inmate students.

Speak Your Kind (Ready Set Kind), Portland, OR — UX Designer/Project Manager

FEBRUARY 2019 - JULY 2019

Perform all UI and UX from the beginning of project to completion. I research, write test plans, create user flows, build the wireframe and prototype, perform user testing. We also built a fully functioning test game.

Technologies Used: Sketch, Invision, Adobe Creative Suite, Trello, Confluence, Microsoft Excel, Maze.
